

# FRASER VALLEY

Are you ready to ride and seek? Hitch your bike to the bus and ride out to Harrison Hot Springs. Take a scenic ride along Harrison Lake over to Sasquatch Provincial Park and rent a canoe. Or, for a more leisurely pace, head to newly-opened East Sector Lands to explore over 5km of trails. Seek serenity in the evening as you relax post-bike ride in the soothing pools of Harrison Hot Springs. Head back on the bus to Agassiz to grab dinner at a local restaurant.
