#ExploreBCbyBus • explorebcbybus.com

Jump on the bus to Davison Orchards to visit with sheep, goats, rabbits and other friendly farm animals. Take a train ride to explore the orchard then taste fruit and vegetables straight from the field. Or let your kids explore the Crazy Cow Kids Corral, offering an acre of good old-fashioned (free!) outdoor fun, while you enjoy a coffee at Auntie May's Deep Dish Cafe.

Take a tour of Planet Bee, where you can watch bees building their hives and learn all about these hardworking creatures. Give in to your sweet tooth with a treat from Pooh's & Bean's Sweet Shoppe and enjoy a stroll through Polson Park.
