## FAMILY FUN

Ease into the day with a gentle wander through the trails of **Trickle Creek Golf Course** on snowshoes (rentals available at the **Kimberley Alpine Resort Rental Shop**), taking in the fantastic scenery as far as little legs will carry your family. Or, kick things up a notch on skis and snowboards to bring out your inner speed demons! When you've had your fill, catch the ski shuttle bus to the **downtown Platzl** (free of charge!) to end your day enjoying shops, restaurants, climbing walls and more.
