

CRANBROOK

Take your little ones for a stroll around **Elizabeth Lake Bird Sanctuary**. Feathered friends aren't all you'll find at the park - keep your eyes out for painted turtles as well and be sure to check out the longest mural in BC at Elizabeth Lake Lodge. Next, strap on some skates at **Western Financial Place** and show your moves on the ice, or don your bathing suits and hit the wave pool! Finally, wind down your day with a closer look at the largest collection of rail travel cars in North America – and the rich history of the East Kootenays – at the **Cranbrook History Centre**.
