FAMILY FUN

Explore the easy walking trails throughout **Ferry Island** along the banks of the Skeena River, and hunt for unique face carvings by a local artist hidden in the bark of the trees. Then, pick your pleasure: challenge your family to a game of winter tag at the new **George Little Park playground**, or strap on some blades at **Terrace Sportsplex** for some skating fun. Finally, warm up while hitting the lanes at **Terrace Bowling Alley** for some good old-fashioned ninepin!
