

SUNSHINE COAST

FAMILY FUN

Splash your way into the day! If you're feeling brave enough, dip your toes and run along the beach at **Davis Bay**. Otherwise, drift down the lazy river and swim around the leisure pool at the **Sechelt Aquatic Center**. All that swimming will work up an appetite, so make sure to stop nearby for some well-deserved lunch before heading for a stroll through **Snickett Park**, which has a beautiful view overlooking the ocean. While you're there, see if you can spot the impressive Salish totem poles! To finish off, take a quick walk over to **Hackett Park Playground**. Whether you're a fan of slides or swings, a little playtime at this cozy park is the perfect way to end the day!
