

Port Alberni

ADVENTURE SEEKERS

Deemed 'Canada's Ultimate Fishing Town', start your day in Port Alberni by heading down to the **Somass River** to cast your line in search of that trophy Steelhead, after wandering the area's beautiful park to find the perfect spot. When you're ready to reel it in (fish or no), take a break at **Harbour Quay** while browsing local shops, checking out the abundance of boats of all sizes, and climbing the clock tower for panoramic views of the Alberni Inlet. Afterwards, head due east to enjoy some of Vancouver Island's most serene second growth forest on the **Maquinna Trail** down to Ship Creek. Finally, wind down the day at **Twin City Brewing Company** for a well-earned glass of west coast craft beer.
